Source: Indiana Department of Workforce Development, June 2013.

Data represent all active applicants in the Indiana Career Connect system (www.indianacareerconnect.com) for the Indianapolis Regional Labor Shed, which is composed of the following counties:

Bartholomew	Boone	Brown	Clinton	Decatur	Delaware	Grant	Greene	Hamilton
Hancock	Hendricks	Henry	Howard	Jackson	Johnson	Lawrence	Madison	Marion
Monroe	Montgomery	Morgan	Owen	Putnam	Rush	Shelby	Tippecanoe	Tipton

Note that these data do not include applicants from private job matching services like Craig's List, Monster and CareerBuilder. Therefore, the data are likely to under-represent the total available application pool in the labor shed.

Note that data are reported by target occupation. Some applicants have indicated more than one target occupation. This means that some occupations that require similar skills may be subject to "double counting" of applicants when added together.

The 9-county Indianapolis Region includes Boone, Hamilton, Hancock, Hendricks, Johnson, Madison, Marion, Morgan and Shelby counties.
