HOOSIER SECURITY TO HOST GRAND OPENING AND RIBBON CUTTING FOR FIRST-OF-ITS-KIND EXPERIENCE CENTER

Event to feature cutting-edge security technology, complimentary food trucks and more

WHO: [Hoosier Security](#)

WHAT: [Grand opening and ribbon cutting of Hoosier Security's Experience Center](#)

WHERE: 7828 E. 88th St.
Indianapolis, Ind. 46256

WHEN: Thursday, Oct. 17 from 2 - 6 p.m.

WHY: As businesses strive to improve efficiency and accountability, the need for real time, reliable emergency notification systems have become more pressing. Hoosier Security, a local company specializing in commercial and industrial electronic security solutions, is hosting a grand opening and ribbon cutting in celebration of the company's new office and first-of-its-kind Experience Center.

Believing that communities deserve the fastest possible automation of responses to eliminate threats and address issues before they escalate, Hoosier Security is prioritizing safety and preparedness so facilities can foster trust, enhance productivity and protect those they serve.

During the event, attendees will explore Hoosier Security's cutting-edge technology including Avigilon Alta and Unity, Motorola Body Cameras, Zero Eyes Visible Weapons Detection, WAVE Radios, Mobile Surveillance Trailers, Thermal and AI cameras, access control and more. The Experience Center is designed for guests to see these innovations in action, collaborate with experts and discover how AI-powered solutions are creating safer, more secure facilities.

Attendees will have the opportunity to:

- Experience AI-driven security systems that automate emergency responses and anticipate threats.
- See how thermal cameras can detect human movement from a quarter mile away, keeping facilities secure around the clock.
- Explore Hoosier Security's interactive demonstration where guests will step into a virtual community and discover solutions to real-world problems like theft, vandalism, unauthorized access and more.

Hoosier Security believes every business deserves to operate without fear, offering solutions can provide that peace of mind. Guests will also enjoy complimentary food trucks, drinks and live music. The event is free to attend and registration is available [online](#).
